

Learning Websites!

Your child has access to the online learning websites that we use at school. You can easily access them through their “Clever” account. Follow these steps:

1. Go to www.clever.com .
2. In the top-right corner click on “Log in as a student”.
3. Search for our school (Big Hollow Primary School).
4. Log in with your six-digit code (this code is the username AND password)
5. Select one of the learning sites to practice skills!

WEBSITES

[DreamBox](#)

Work on math skills chosen to challenge your child at his/her personal level.

[MyOn](#)

Read a variety of great books at your personal level and take comprehension assessments. Time on MyOn counts towards your monthly reading log goal!

[Lexia—Core 5](#)

Complete differentiated literacy lessons at your child’s current level. This program provides personalized learning in the six areas of reading instruction.
